Support Georgia Trauma Foundation on #GAgives Day

#GAgives on #GivingTuesday is an annual event that brings together people across Georgia to support local nonprofits. The initiative, held on November 28th, encourages individuals and businesses to donate and make a difference in their communities by supporting various causes and organizations dedicated to improving lives and addressing pressing needs throughout the state. It's a day of statewide generosity and community engagement, aiming to amplify the impact of charitable giving.
