

2024 Spring Meeting PBP Requirements

Attention GTC Contracted Centers: Performance-Based Pay (PBP) meeting requirements are tied to a portion of a contracted center's Georgia Trauma Commission funding. Meeting requirements and percentage at risk can be found within your center's executed contract.

PBP-required attendees may have a designee attend in their place. The designee should be similar in role and be familiar with the trauma/burn program.

Updated 03/08/24
